Greetings!

Registration for CoHEsion Summit Reno and CoHEsion Summit Charleston will open soon! Be watching for an email announcing the opening of registration for the fall conferences.

Call for Presentations is Now Open!

The Conference Program Committees are already hard at work preparing for CoHEsion Summit 2015 with two great locations - Reno, NV October 12 - 15 and Charleston, SC November 2 - 5. They are very busy soliciting presentations and scheduling training opportunities that will benefit you in your workplace and professional career. Want to be a part of something great? Submit a presentation today and share your own vast wealth of knowledge with other schools. Check out the [Presenter's Resources](#) page for topic ideas and tips. Whether you are new or have presented before, we encourage you to participate in this year's conferences. CoHEsion Summit not only offers presentations and training sessions on all Banner modules, but we are also looking for those Process Improvement Initiatives that you have found to be successful on your campus. Be a part of what makes CoHEsion Summit great and submit your ideas today! Go to [Submit Presentation](#) on our website and submit your information.

**Deadline for presentation submissions is
May 31st for both conferences.**

NEW CoHEsion Subcommittees

New to CoHEsion this year is the addition of Subcommittees. The organization has established four subcommittees and is looking for volunteers to serve the organization. We want you to be a part of this organization and have your voices heard. CoHEsion is looking for volunteers that can serve in membership drives, the election of new directors, and two new initiatives - the Banner Report Card and the Best School Initiative.

The Banner Report Card will be CoHEsion's tool for letting Ellucian know and understand what is important to the customer base. The Best School initiative is a way to award institutions for their innovative ideas. At times, other short term membership participation may be requested and will be communicated when required. Don't just sit on the sidelines - be a part of a great team!

It's easy to get involved. Simply complete the [Volunteer Form](#) and select the subcommittee(s) that you would like to be involved with.

Congratulations!

We are proud to recognize the winners of the Best Presentation Awards for the 2014 CoHEsion Summit conferences.

From the Chicago Conference:
David Call
Utah Valley University

From the Austin Conference:
Kurt Morton
The University of Alabama

In appreciation for their excellence, David and Kurt will each receive a complimentary registration for the 2015 CoHEsion Summit of their choice.

Please join us in congratulating them for their achievement!

CoHEsion Summit - The Conference You Want to Attend!

CoHEsion Summit is the best value around! The early bird registration fee is only \$325. Other national conferences charge up to \$895! And hotel rates are amazing - only \$109/night in Reno and \$149/night for a suite in Charleston!

Many of the sessions presented at CoHEsion Summit are similar to sessions offered at Ellucian Live. The quality is still there, but there are fewer people to compete with to get your questions answered! The conferences provide a great networking environment to allow you to make contacts that you may consult with when you return to your office. In addition, we offer many intensive, and in some cases, hands-on training classes before or after the conference for a minimal additional fee.

CoHEsion Summit is definitely the conference you don't want to miss!

We hope to see you in Reno or Charleston in the fall.
